Clayton-Bulwer treaty, by according for all its duty to assemble sufficient means to force if they can help it. case may be irreded at a distance by giving a deadmiralty orders which, amid the struggles of signed to interfere in any manner in the inte-

ragua, one of the objects of which is to terminate the Mosquite protectorate, and to which
no objection was expressed by the United States
Government I have not had the honor of

whatever may be the consequences.

that it could scarcely be said to have a responsible government. England had berself been arossly outraged in the person of Mr. Hanson, whose treatment could beet be resented, in the opinion of the law efficers of the crown, by a British fleet being sent to Tampico. Her Majesty's government, however, were averse to any strong measure which might make things works than they already were, and severity would probably fall upon the innocent.

It was difficult to say what result the disordered state of Mexico most ladd to if the nu-devel will never have any other object than the one dered state of Mexico most ladd to if the nu-devel will never have any other object than the one dered state of Mexico most ladd to if the nu-devel will never have any other object than the one dered state of Mexico most ladd to if the nu-devel will never have any other object than the one arose indicated.

dered state of Mexico must lead to if the na-tions interested in her well-being forebors to the intervene. above indicated. The instructions given to the commander of the subject, we are justified in saying that no foreign war would be half as popular to the intervene. Mexican as one with the United States. We Mr. Dallas says: My solicitude in this nar- tion at Tampico, also includes protection of are recognized as the enemies of their religion

SCHERGE BIXON.

ATOLERY AT LAW. How preserved his definited extraction of the best and person of the best and the second of the country from the best and person of the best and the second of th

ceremonious visit to Com. Melatosh, the latter no doubt, he says, being sent by Sir William purposely to remove all unfavorable impressions, and to talk over rather than write forther upon the subject at issue. Capt. Aldham disasowed all intention of interference with a slegged "point note" addressed by the promptly and emphatically denied that anything of the surf had been written or ever contemplated. The rumor of the morning, coming direct from Paris, was adverted to—that the Anglo French fiset had orders to proceed to the Guilf of Mexico. That remor, he said, had lowered the funds, but was, nevertheless, utterly destitute of foundation.

I can preceive that the Cacovery of the gol.

I can preceive that the Cacovery of the gol.

I can preceive that the Cacovery of the gol.

I can preceive that the Cacovery of the gol.

I can preceive that the Cacovery of the gol.
